CAPABILITY STATEMENT

Capability statement

Buildto Group at a glance, on one page.

Company overview

Buildto Group LLC is a contracting and services partner founded in 2026 on one belief: great work is built together. We take on contracts of every type as a prime contractor and as a subcontractor, and deliver them on time, as promised.

Core competencies

- Prime contract delivery, from kickoff to closeout
- Subcontract support to prime contractors
- Program and project management
- Staffing and rapid mobilization
- Quality control and status reporting

Contracts we take on

- Prime contracts and subcontracts
- One-off projects and ongoing service agreements
- Fixed-price and time-and-materials
- Services and supply requirements
- Teaming and joint-venture arrangements

Differentiators

- Trust first: every commitment kept, every deadline met
- Founder-led: direct access to decision makers
- One business day response on every inquiry
- A team that grows with every project
